

A life-giving pleasure: quality music at reasonable prices

Ensemble M'chaiya™

Chicagoland's Original Klezmer Band™

Since 1983

"It was great! M'chaiya added a wonderful Jewish element ... inspiring Jewish music!" — S. Hertzman, Jewish United Fund

With uplifting energy that puts your soul in touch with your soles, Chicagoland's first revival Klezmer band gets everyone's heart and feet dancing to Klezmer tunes set to Gypsy grooves, rhythmic Sephardic and swinging Yiddish songs, and energetic Israeli dance tunes. To make sure you are on the right foot, the band will teach and lead you through the fun yet simple line and circle traditional dances. World Music styles related to Klezmer are also available.

This acoustic band has a distinctive sound to match its eclectic repertoire and may be the only Klezmer band in the world using the highly expressive end-blown Bulgarian Flute as a main instrument alongside a Mandolin, Violin, Guitar, and various types of Percussion. Play yourself? Ask about joining us on a Klezmer tune!

Whether in America, Canada, or Europe, whether on a major festival stage or in a home for an intimate private party, the Ensemble M'chaiya gives substance to the meaning of its name, a "life-giving pleasure," by paying attention to you.
